

# RECREATION AND PLAY VOUCHER PROGRAM

## GET YOUR RECREATIONAL FEES AND EQUIPMENT COVERED

Participating in sports and other recreational activities is an essential part of any healthy community. The Recreation and Play Voucher Program aims to increase the number of individuals participating in organized sports or other recreation activities by reducing cost as a barrier. Organizations, participants, parents, caregivers, coaches, teachers, or guardians can apply for a voucher which can be used towards sport and active recreation equipment, membership, registration, or participation fees.

Vouchers are issued on a first come, first serve basis, with the potential for funding to be renewed as continued need is expressed.
